

Sovereign Citizens

Ariane Flores, Civil Division Chief—Williamson County

So...
What's
in it for
me ?

What's In It For You Today:

1 .What is a sovereign citizen?

2. Why should I care about them?

**3. “Take a Whack at Weezer”—
Identifying Common Filing Forms**

**4. Three tools to deal with
difficult sovereign citizens**

What is a Sovereign Citizen?

Sovereign Citizens

- “Sovereign citizen” ---phrase that captures a broad group of different people who are anti-government individuals who share some overlapping beliefs.
- Most are tied to an organization that is anti-government that shares common filing forms that you will encounter. Others are more rogue individuals, who while they share these common anti-government beliefs, tend to act more independently.

Sovereign Citizens

- No clearly established leadership.
- Often work as individuals who only come together loosely to train, help each other out with paperwork, or talk about their ideology.

Sovereign Citizens

- Core belief: they are bound by individual common law that exempts them from the authority of any government institution.
- Refer to themselves as “constitutionalists” or “freemen” which is their flag marker for being free from governmental control.

Sovereign Citizens

- They believe the government is abusing its power, and not within its jurisdiction.
- They do not recognize federal, state, or local laws, policies or regulations.

Groups of Sovereign Citizens

- Moorish Nation
- The Aware Group
- Washita Nation
- Republic of the United States of America
- Republic of Texas

Sovereign Citizens & The Redemption Theory

- SC's believe when the U.S. government removed itself from the gold standard, it rendered U.S. currency valueless.
- SC's believe the U.S. government now uses citizens as collateral, issuing social security numbers and birth certificates to register people in trade agreements with other foreign countries.

Sovereign Citizens & The Redemption Theory

- SC's believe that each citizen has a monetary net worth kept in the U.S. Treasury Direct account.
- Value = approx. \$630,000 - \$3 million

Sovereign Citizens & The Redemption Theory

- “Freeing money from the strawman”
- This is why SC’s file legitimate IRS and Uniform Commercial Code forms for illegitimate purposes. (common filings)
- For the more extreme believers, in addition to these court filings, they will use this theory to justify tax violations, money laundering, bank fraud, mail fraud and mortgage fraud to name a few.

Sovereign Citizens & The Redemption Theory

- **Sacramento, California—two sovereign citizens sold fraudulent insurance schemes.**
- **Kansas City, Missouri---three sovereign citizen extremists charged customers \$450-\$2,000 for diplomatic identification card that gave “sovereign status” and diplomatic immunity from paying taxes and from traffic stops by law enforcement**

Sovereign Citizens & The Redemption Theory

- Las Vegas, Nevada—4 men of the sovereign citizen extremist movement arrested by the Nevada Joint Terrorism Task Force for money laundering, tax evasion and weapons charges.

Takeaway: SC's will enforce their core beliefs to justify committing crimes.

**Anti-
government**

Q: What is a S Citizen?

**Use legitimate
forms for illegal
purposes**

**Believe they're
exempt from
any authority**

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them

The UNITED STATES government is no longer sufferable. I cannot tolerate its pernicious and predatory conduct any longer as a citizen of the UNITED STATES (Corporate) fiction.

I hereby repudiate, rescind, renounce and disavow any CITIZENSHIP status with the UNITED STATES GOVERNMENT that I may have inadvertently acquired, by any scheme, for the reasons detailed in the foregoing Articles. My birthright is now being re-secured as a member of the Sovereign

- En Legis – no statute requires filing in another language. This is latin for “creature of the law” or “being of the law”
- Can’t just impose fees on someone and change them without notice. That defeats the purpose of a fee schedule agreement.

The United States of America

Whereas I, the living woman known as Katherine Mary Soulis, am the result of the life and love and physical embodiment of my parents, the living man known as Samuel Steve Soulis and the living woman known as Anne Haggis Soulis (née Anne Haggis) who were lawfully wedded in Manchester, New Hampshire in the calendar year 1951, now therefore I am their living daughter from the moment of conception and from the first combining of their unique genetic code to create my unique genetic code and my zygote in support of my physical embodiment then and now, and as I am the only true and surviving inheritor, I hereby publish my claim and recording of the facts:

The Afterbirth composed of a placenta, umbilical cord, and fetal tissues which accompanied me into this world and which was in possession of my DNA was never a viable separate living organism and was instead a portion of my flesh akin to any hair, skin, or other representation of my genetic content, that was not abandoned, not donated, and not returned to me or my parents for burial. 3 Tools to Deal with Difficult Sovereign Citizens

Prosecutors

1. Prosecutors

Research the Law

Cross Examination

Contempt of Court

Prosecutors Can Research the Law

- As a TDCAA article once said, “you can’t be lazy just because they’re crazy.”
- When you get a sovereign, prosecutors will need to do their homework. Get them the information as soon as possible so they can start digging and research what is current on their movement.

Research the Law

- Prosecutors will perform legal research—case law, check their social media pages, filings, and research their movement.
- Prosecutors will do the homework, SC's won't just "go away."

Research the Law

- Whether it is an ACA or an ADA, whoever represents you as an elected official, is there to provide legal counsel and direction on these matters.
- Let us be the bad guys, do the difficult job of telling the sovereign citizens that this is not legally valid for filing.

Attorney General Opinions

GA-0450 (2006) – county clerk may not file and record a common-law copyright

- no statute authorizes, requires, or permits the filing and recording of a common-law copyright notice.**
- no federal statute permits a county clerk role/duty in the federal copyright registration process.**

Attorney General Opinions

- **JC-0156 (1999)---**county clerk is prohibited from filing and recording a document that no statute authorizes, requires or permits clerk to accept.
- **JC-0256—**county clerk does not have to file a UCC financing statement in which the document names the same person as the debtor and the secured party.

Attorney General Opinions

- LO-98-016 – county clerk is not authorized to accept documents labeled “refusal to pay property taxes,” “common law lien,” and “declaration of person being a sovereign.”

Attorney General Opinions

- Instruments by which individuals, without legal warrant, seek to alter their political or juridical relations with others, or to impose legal burdens upon third parties, are not, in the words of section 192.001, such as are “required or permitted by law to be recorded,” and consequently the clerk has no duty to record them. Tex. Att’y Gen. Op. JC-0156 (1999).

Cross Examination

Contempt of Court

Prosecutors Can Conduct Cross Examinations

- Close-ended questions.
- Trigger a yes/no answer.
- Line of questioning designed to narrow in on specific points.
- Prosecutor can CX on buzz terms to show their crazy to a jury. Terms like “strawman” “tax evasion” “act of expatriatism” “assumed name”

Cross Examination

Ex: Wilco example

- Subpoenaed everyone
- Sued everyone
- Threatened everyone
- Crossed on his anti-government views.
- The overarching big brother theory.
- His affidavit of inability to pay court costs---strawman theory.
- Used his FB posts in court.

Cross Examination

Contempt of Court

Prosecutors Can Facilitate Contempt of Court

Contempt of Court

- **Direct contempt** --- occurs in front of the judge. Judge has to have direct knowledge of the behavior constituting contempt.
Ex: perjury
- Court can have a summary proceeding right then and there, no notice is needed to be given to the defendant.

3. Contempt of Court

- **Constructive contempt**--occurs outside the presence of the courtroom. Defies an order of the court.

Ex: refusal to do something ordered by court. FTA.

- Defendant is entitled to notice and a hearing.

Criminal Contempt

County/District Court

- Punitive in nature
- Fine \leq \$500
- Confinement in county jail \leq 6 months
- Or both

JP/Municipal court

- Punitive in nature
- Fine \leq \$100
- Confinement in county jail \leq 3 days
- Or both

Tex. Gov't Code Ann. § 21.002 (West)

Civil Contempt

- More remedial and coercive in nature.
- Entitled to notice & hearing
- Permitted to get an attorney to represent them at the hearing.
- “Contempt defendant carries the keys to the jail.”
- More procedural safeguards

3 Tools to Deal with Difficult Sovereign Citizens

2. Flip the Burden

3. Investigators

Flip the Burden

2. Flip the Burden

- After diligent research, you can always flip the burden back on the sovereign citizen for proof of statutory authority to compel acceptance of filing.
- Be careful, you don't want to put yourself in a position to be mandamus'd.

USE CAUTION

2. Flip the Burden

- You can't use this every time as an easy way out.
SC's won't just "go away."
- You still need to do your homework!
- You better be prepared with the law to respond when necessary, or when your client seeks reasoning behind a decline to accept filing.
- Even when you shut one filing down, expect another....and then another.

Flip the Burden

“If you would like to provide the legal authority you believe authorizes or requires this document to be recorded, we would be happy to re-review this for you.”

3. Investigators

Investigators

3. Investigators

- Mere presence of law enforcement often diffuses a situation.
- Alert your investigator of any repeat problematic sovereign citizens.
- Inform you district clerk or county clerk that if things get thrown at them, or any hostility is displayed to them, they can call on your investigators for protection.

You and your staff need to have a game plan, in order to fully utilize your squad.

Investigators

- Every office should have a plan to assess what situations trigger an escalated response.
- Everyone on your team should know what the plan/process is and when the time is appropriate to call for backup .

Investigators

- Your investigator can conduct a threat assessment and plan security accordingly.
- TLETS search
- Can find out if they carry firearms
- Can find out if other flags noted in LE systems

Investigators

- Let LE talk to LE---they can notify bailiffs and court staff of the need for additional courtroom security when hearings are set with sovereign citizens.
- They can send a security awareness blast office-wide.
- They also make a good security wall.....
